

For Immediate Release

SAVERS; The Recycle Superstore Announces New Shepparton Store & Creates 40+ Employment Opportunities

SHEPPARTON, VIC - Feb 19 2009- SAVERS; the Recycle Superstore; announced last week that it will open a new Store in High Street, Shepparton bringing it's Store count in Victoria to 6 and will be the first store in their portfolio outside of the Melbourne Metropolitan area. The Store Opening is scheduled for the end of April, 2009.

In a real vote of confidence for Regional Victoria, the arrival of SAVERS in Shepparton will create over 40 employment opportunities across a variety of roles with permanent and casual positions available.

In one of the fastest growing retail segments, Savers is a category leader with operations that include more than 200 stores across the U.S., Canada and Australia. A career track with Savers provides invaluable retail experience and training as well as opportunities for individuals to quickly advance through the Company.

Retail and Production/Processing Supervisors and all Team Member positions will be recruited by the end of February. Positions will be available for individuals with processing, merchandising and customer service experience. All jobs have been advertised locally and candidates will be interviewed in a Hiring Fair; scheduled for the 26th - 28th February, 2009.

Interested candidates can visit www.savers.com.au for more Company Information.
